The One You Trust®

SLING-PAK
TECHNICAL BACKPACK

Model #C2700

CODi's SLING-PAK is perfect for those who prefer a backpack design but enjoy the carrying convenience of a messenger bag– the Sling-Pak features a padded strap that can be worn over either shoulder. The strap keeps you connected too, with three multi-media pouches and two ear bud/headphone pass-throughs. The Sling-Pak features an easy access, angled main compartment and ample room and pockets for accessories.

PRODUCT FEATURES

1050D ballistic nylon makes this case extremely light-weight and durable

Two exterior zippered pockets for convenient access and organization

Business organization system with accessory pockets located on outer wall

Large nylon file sleeve located in the main compartment in addition to two elasticized accessory pockets

Main compartment includes padded notebook sleeve and nylon strap to keep notebook securely in place

Multi-media strap with three MP3/cell phone pockets of varied size and shape and rubber ear bud/head phone pass-throughs

Breathable, padded back and repositionable shoulder strap for left or right shoulder wear for maximum comfort
